PREFACE.

THE present volume is number ten of the Alphabetical Index of the Births, Marriages and Deaths recorded in the City of Providence, and is the sixth of a set of six volumes containing an index of the births, marriages, and deaths recorded in this city for the years 1871 to 1890 inclusive. The present volume is the last of two volumes containing an index of the births for the years 1871 to 1890. It is an index of the births recorded for the years 1881 to 1890 inclusive. It is printed from a card index made in 1890 and 1891, but to which many names have since been added.

The record of births in Providence is, as in all the cities of the United States, far from complete, and it also contains very many errors. The cause of these defects, and the reason why the same name often appears with different spellings, are explained in the preface of the volume immediately preceding.

The following table shows the number of births recorded each year from 1881 to 1890 inclusive, and also the birth rate, *i. e.*, the number born to each 1,000 of the population:

YEAR.	LIVING CHILDREN.	STILL BORN.	TOTAL.	BIRTH RATE.
1881.....	2,642	161	2,803	26.07
1882.....	2,626	162	2,788	24.38
1883.....	2,754	162	2,916	24.42

1885.....	2,751	185	2,936	24.87
1886.....	2,781	179	2,960	24.67
1887.....	2,796	167	2,963	24.39
1888.....	2,952	179	3,131	25.46
1889.....	2,998	173	3,171	24.97
1890.....	3,250	167	3,417	25.86
Totals.....	28,342	1,699	30,041	26.44

The records from which the above table was made are contained in the bound volumes of Records of Births, and extend from page 38 of volume 12 to the end of

volume 14. During the past few years a considerable number of names, omitted when these records were made, have been added, and most of these are contained in volume A. 1. of the bound records, provided for such additions.

The following table shows the number of names in the present volume under each letter of the alphabet:

A.....	790	J.....	602	S.....	2,622
B.....	2,759	K.....	1,112	T.....	914
C.....	3,039	L.....	1,296	U.....	34
D.....	1,884	M.....	4,408	V.....	210
E.....	409	N.....	436	W.....	1,582
F.....	1,354	O.....	672	Y.....	82
G.....	1,810	P.....	1,133	Z.....	38
H.....	2,123	Q.....	209		
I.....	86	R.....	1,448		
Total.....					31,052

The number of names in the above table does not correspond with the number in the preceding table chiefly owing to additions to the records since the publication of the registration reports from which the data in the first table were taken.

City Registrar.
